VOTE LIB DEM ON THURSDAY 7th MAY

Steve Murphy Lib Dem Candidate for Hailsham Market

Dear neighbour,

In a few weeks' time you get to decide who should be your County Councillor.

The national polls show this election is a stark choice between those who stoke division and conflict, or your dedicated local candidate with a proven track record of service to the community.

People tell me they're fed up with the chaos we see nationally but the most important thing is what's happening to your local services. Like health care, roads and schools. This election is about providing those local services for you. It's not about national issues. So beware of national figures promising to cut your taxes just to get your vote.

I've lived in Hailsham for over 40 years and I love it here! I'm passionate about the town and it's people. I'm proud of my track record of service to the town and its people. With your help I will continue to serve you and get the best for our town.

Steve Murphy

NEWS & ACTION

Better primary health care in Hailsham

Hailsham has rapidly expanded with over 3,000 new houses over the last few years but the basic services have not kept up. GP surgeries can't cope with demand. A new medical centre is urgently needed now!

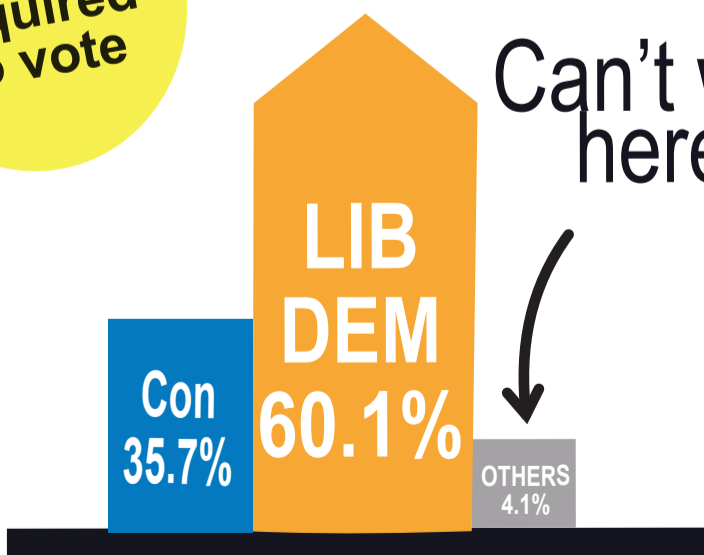

Solve the Traffic Chaos in Hailsham

Everyone knows that the traffic in Hailsham is a nightmare. We need a new roundabout on the A22 at Hempstead Lane to ease the traffic. A one way system has been needed at South Road bridge for over 25 years, yet these essential improvements always seem to slip down the list of priorities at County Hall. We need them done now!

Scrap the booking system at the Tip

The Conservative's online booking system at the waste tip is a failure and should be scrapped. Not everyone has access to a computer or smart phone to book a visit. There's been an increase in fly tipping as a result of people being denied access to drop their recycling at the tip.

Can't win here

The rest is up to you

Only the Liberal Democrats can beat the Conservatives and Reform UK Ltd in the elections here on 7th May. The results from last time show that others are a distant third place so that will be a wasted vote.

Beware of false promises from Reform UK Ltd that they will cut your taxes just to get your vote. Voting for them will only help the Tories.

Only the LibDems in East Sussex have capable and experienced Councillors to get the County out of the Conservative financial mess. It's time for a change at County Hall.
