Read inside for Gavin's priorities for Hailsham New Town

Gavin and the Lib Dem team are demanding better for Hailsham on May 7th

We are currently working steadily and positively towards a vastly improved, comprehensive medical service designed to suit you.

Traffic into and out of Hailsham is at constant grid lock. Improved additional road access is needed. Due to the constant pressure by **LOCAL LIB-DEMS** there are now proposals in place to alleviate this problem.

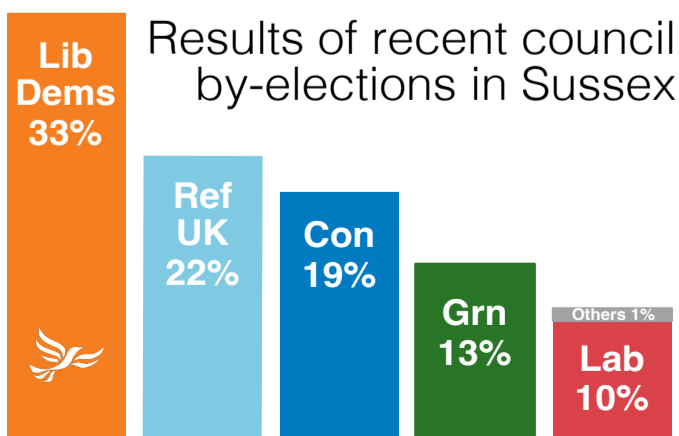

As Lib-Dems we work to expand services **NOT** cut them. A recent example of this is the expansion of the Youth Service in Hailsham a much **NEEDED** and appreciated asset enjoyed by many residents in our town.

# THE CONSERVATIVES FAILING RECORD AT COUNTY HALL

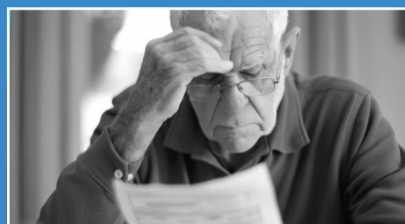

The Conservatives have left East Sussex with a toxic legacy of debt and crumbling services. They have racked up a £56 million budget black hole and are now taking a £70 million "payday loan" from the government just to survive. Despite hiking Council Tax to the maximum, they are draining emergency reserves, leaving the county on the brink of bankruptcy.

Reform UK offers no solutions. Look at Kent to see their reality: a £46 million overspend and a failure to manage rising adult social care costs. Their rhetoric about "cutting waste" is empty; in Kent, they prioritized internal squabbles over helping residents. They lack the competence to lead. East Sussex cannot afford to let them fail here too. **The best way to real change is to back the Lib Dems for sensible leadership.**

## My priorities for :- Hailsham New Town

A Liberal Democrat  
Controlled Council will :

- Treat everyone with dignity and respect
- Put safety and wellbeing at the heart of the Councils work.
- Work with Town and Parish Councils where ever possible

## CONCERNS OF HAILSHAM RESIDENTS

We urgently need new repairs now and a long term investment plan to ensure this never happens again.

Gavin Blake-Coggins your Lib-Dem activist believes, "Residents of Hailsham" see the damage every day, crumbling roads and damage to cars. "We deserve better."

The Lib-Dems will repair our roads, hold the council responsible for every penny and ensure our town prosperes.

The Conservative run County Council have left our roads to fall apart whilst misusing tax-payers money on pet projects.

Instead of properly investing in long term solutions, the council keeps wasting money on short term repairs which don't last.

This costs more and causes more disruption leaving the residents of Hailsham to pay the price.

The Lib-Dems exist to build and safeguard a fair and open society. We aim to balance the fundamental values of equality and community.

Being a local councillor means working for the local people and community all year round, not just at election periods

The conservatives ignored your objections for the online booking system for the household waste recycling centre.

This decision was made based on the incorrect assumption everyone has access to a computer to book an appointment online. Due to ignoring local opinions and objections, fly-tipping has increased not only in hailsham town, but across the county.

## The BEST choice for Hailsham New Town

# Gavin Blake-Coggins

Gavin has lived in Hailsham since 1987 where he has raised his family. Gavin feels Hailsham is a great place to bring up a family. There is always something to do, Festivals, Sporting Events and a thriving Cinema. However, due to poor management basic services have NOT followed suit.

Since moving to Hailsham Gavin has represented the residents at all levels of local government. Gavin has a proven track record by putting Hailsham first. This is why YOU the people of Hailsham

have continued to vote for him. Gavin asks you to put your trust in HIM once again.

Vote for Gavin on the  
7 May 2026

for another successful term in  
office serving YOU.
