**“REFORM ARE TORIES IN DISGUISE”**  
*DO NOT ALLOW THEM TO WIN*

For over the last two decades a Conservative controlled County Council has continually ignored the requirements and needs of the Residents of Hailsham. It is imperative that these issues receive the attention they justly deserve. My aim is to represent the community effectively and work to ensure Hailsham's priorities are clearly recognised and acted upon.

Why are the Tories running scared ? Because now they've gone cap in hand to the Government begging to borrow £70m just to balance the books and avoid bankruptcy. Where is the interest of £6m coming from?.

**MONEY YOUR GRANDCHILDREN WILL HAVE TO PAY BACK**

I have been a LOCAL VOICE for over the last 2 decades on both Town Council and District Councils.

My work for you is **NOT** finished there are many things I will do given the opportunity. working for you is not just at council level but in your community as a whole, residents associations and support organisations which are caring for you

**YOU DESERVE BETTER:-**

- **HEALTH CARE PROVISION** *Community Hospital needed*
- **COMMUNITY SUPPORT** *Improved GP services and Adult Social Care*
- **INFRASTRUCTURE** *Road access and repairs*

# Decades of Neglect of our Roads and Services

I have lived in Hailsham since 1992 and my 2 children were born locally as were my grandchildren. Wealden is a beautiful area but it's clear from talking to residents that many people feel it is being ruined by the Conservatives'

**CONSERVATIVES:** They say they are the party of sound financial management but looking at the state of County Hall that rings hollow.

**REFORM UK Ltd:** Reform say, they will cut your taxes without any experience of local government. Just look at the state of Kent and Worcestershire Councils where they hiked up Council Tax.

**LIB-DEMS :** Only the lib-Dems in East Sussex have capable and experienced Councillors to get the County out of the Conservative mess.

IT'S TIME FOR CHANGE AT COUNTY HALL

## What the Liberal Democrats are all about

The Liberal Democrats exist to build and safeguard a fair and open society, in which we seek to balance the fundamental values of liberty equality and community and in which no-one shall be enslaved by poverty ignorance or conformity.

This is the basis for all that your local Councillors do for you and their local community, every day, year in year out.

Being a local Councillor means working for the local people and community all year round, not just at Election times.
