# IT'S TIME FOR CHANGE AT COUNTY HALL

## Conservatives are running scared after 25 years of failure!

Steve Murphy says, "First the Tories pleaded to the Government to postpone elections. The LibDems said **NO!** and our MPs took it to Parliament. The Government then dithered before finally confirming that elections **WOULD** go ahead.

Why are the Tories at County Hall running scared? Because now they've gone cap in hand to the Government begging to borrow £70 million just to balance the books and avoid bankruptcy. Plus, they don't know where the £6 million interest repayments are coming from.

### Money that your grandchildren will be paying back!

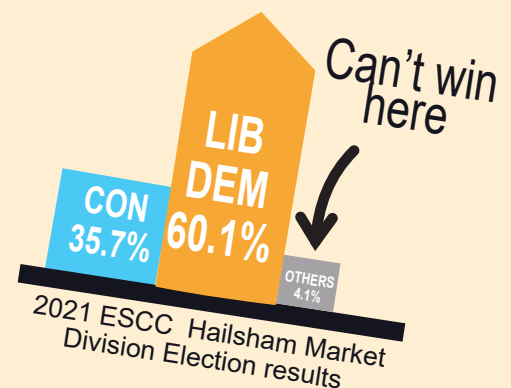

That's why the LibDems fought for your right to vote: for you to be able to also say **NO!** No more financial chaos. And say yes to change after 25 years of Tory control at County Hall."

Beware of false promises to cut your taxes by other parties. The Conservatives will say they are the party of sound financial management but looking at the state of County Hall that rings hollow.

Reform UK Ltd say they will cut your taxes without any experience of local government. Just look at the state of Kent and Worcestershire County Councils where they put up council tax. In East Sussex, Reform UK Ltd have only one experienced Councillor who defected from the Tories.

Only the **Liberal Democrats** in East Sussex have capable and experienced Councillors to get the County out of the Conservative mess. So it's time for a change at County Hall.

## Only the LibDems can beat Reform

## Proud to be British!

Steve Murphy proudly waving the Union flag at the Paris Olympics in 2024

What does it mean to you to be British?

I'm proud to be British. I'm proud to wave the same union flag at major worldwide sporting events for over 40 years -and I'm proud to be an ambassador for Britain and British values wherever I go.

Because:

**My** Britain is tolerant and inclusive.

**My** Britain is accepting and accommodating.

**My** Britain is welcoming and diverse.

**My** Britain is **NOT** bigoted, intolerant and divisive.

## What the Liberal Democrats are all about!

The Liberal Democrats exist to build and safeguard a fair free and open society, in which we seek to balance the fundamental values of liberty equality and community and in which no-one shall be enslaved by poverty ignorance or conformity.

This is the basis for all that your local Councillors do for you and their local community, every day, year in year out.

Being a local Councillor means working for the local people and community all year round, not just at election times. Being a local Councillor means caring about the people and solving their issues.
